

Transfers

LC Central Teams

Transferring to Central Teams is easy! There are three steps to it.

If the first step doesn't work, go to the next:

1. Transfer to the team line
2. Transfer to the team point of contact
3. Share the point of contact email address

CENTRAL LEADERS

Some Central Leaders have assistants, and they are who will help callers get what they need.

following these two steps. If the first step doesn't work, go to the next:

Do not share these leader's contact information. Connect the caller with the leader's assistant by

1. Transfer them to the leader's assistant
2. Share assistant's email address
